

## Features

- ❑ Driven by the specially powerful easy to access low emission and jobsite proven engine
- ❑ Efficient and economic cutting blade drive: Long service life and low maintenance costs due to heavy duty belt and belt tightener
- ❑ Large integrated, water tank with over-sized fill opening and adjustable sprinkling system

Model	Alphacut 660
Dimensions LxWxH (mm)	1680 x 630 x 1100
Weight without engine (Kg)	144
Max cutting depth (mm)	280
Blade size (mm)	660
Water tank capacity (Ltr)	30
Engine power-hp (kW)	11 (8,1)
Engine speed (rpm)	2900
Engine	Product Code
Yanmar L100N (Manual) Diesel 10(HP)	301.66.00000
Yanmar L100N (Electrical) Diesel 10(HP)	301.66.10000
